why buy a leatherman?

In 1975, Tim Leatherman (totally picky engineer) found himself travelling through Europe with a tight budget and a cranky car. His trusty scout knife just couldn't handle the job. What he needed wasn't a better pocketknife. Instead, he needed an entirely new thing — a compact set of tools that included full-size pliers. It took Tim seven years to perfect the original Leatherman tool.

Today, Tim's original idea still inspires and drives us to focus on honing our skills as "the multi-tool experts." We're continually working to make existing products even better and offering new products to satisfy millions of loyal users all over the world.

Why should you buy a Leatherman? Tim's standards for quality, durability, precision and attention to detail are what make all Leatherman products like no others. In addition, the classic Leatherman line offers a broad range of features, sizes, and accessories to make sure you have the multi-tool that's right for you.

Put it to the test for yourself. You'll be pleased you bought a Leatherman.

crunch

LENGTH: 4 inches WEIGHT: 6 ounces

Locking pliers that fold away make the Crunch® unlike any multi-tool available today. It's like carrying a vise with you. Clamps up to a 1-inch diameter pipe. Remove the adjusting screw and you'll find a 1/4" hex bit adapter built right in. Locking blades release with the push of a button.

flair

LENGTH: 4 inches WEIGHT: 5.5 ounces

A professional-style corkscrew, spreader knife and cocktail fork make Flair® the ultimate picnic tool. In addition, Flair offers a full array of screwdrivers, scissors, knife blade and of course, tough pliers with wire cutters. Whether it's tightening a bolt or popping a cork, Flair gets the job done right.

25
YEAR
GUARANTEE
LIMITED WARRANTY

If within 25 years from date of purchase you find any defect in material or workmanship with your Leatherman® tool, return it to Leatherman Tool Group, Inc., or a local authorized service center.

This warranty does not cover abuse, alteration, unauthorized or unreasonable use of your Leatherman® tool. This warranty does not cover sheaths, accessories or colored finishes. Bits are not covered by this warranty.

When you return your tool under warranty, be sure it is insured. We cannot be responsible for items that do not reach us or our local authorized service center. At our option we may replace the tool rather than repair it; and if discontinued, replace it with a product of equal or greater value.

Leatherman Tool Group, Inc. is not liable for incidental or consequential damages. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusion may not apply to you.

This warranty also gives you specific legal rights, and you may also have other rights which may vary from jurisdiction to jurisdiction.
