The Leatherman Difference

BLADE LAUNCHER™

No springs required. A little Leatherman ingenuity and the flick of a finger are all that are needed to put the knife blade to work. Special materials help make the action smooth and easy, and the finger tab disappears into the handle once the blade is deployed. Nothing else on the market operates this simply or this well. (Available on 300-series models.)

CARABINER

BOTTLE OPENER

Our patent-pending carabiner stays hidden until you need it, nesting with other components to save space. Then a simple thumb action is all that is required to hang your Leatherman knife on a backpack, rope or belt loop. Plus, it locks in place so attachment is easy. It is also designed to be the best bottle cap lifter we've ever offered. And since it easily rotates or slides out with one hand, you won't have to wait long to enjoy your reward for a day's work well done.

Durable

Ready to work and built to last.

Innovative

Cutting-edge designs with new features.

Sharp

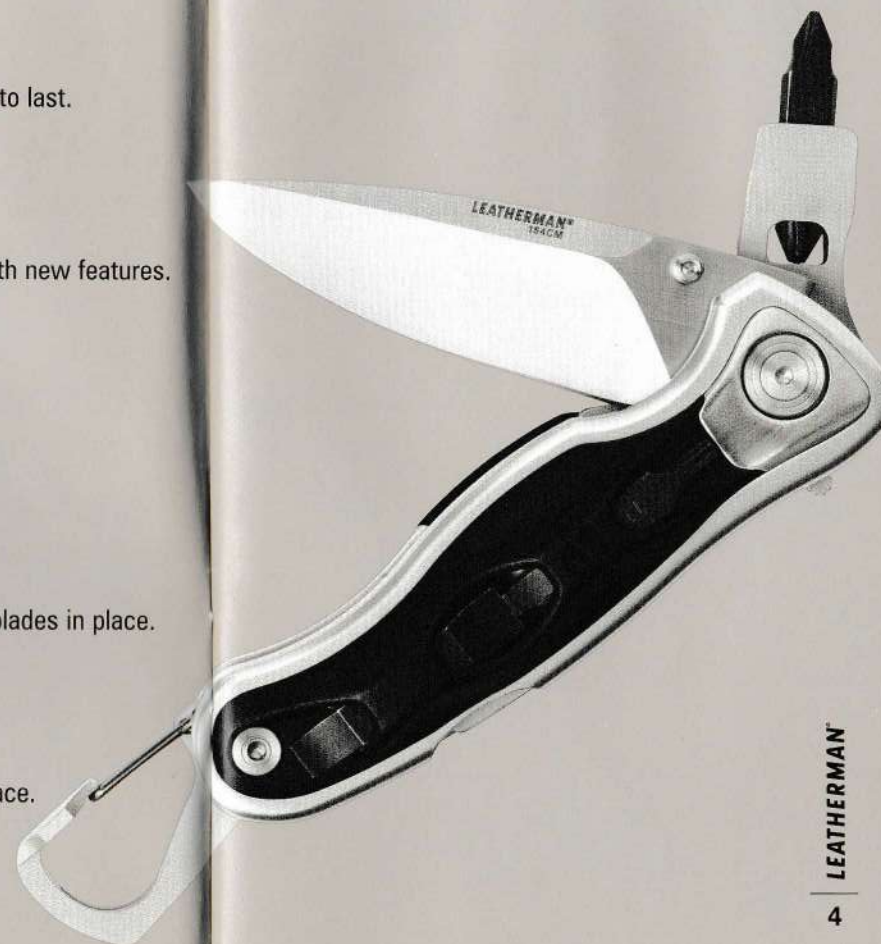

A clean cut every time.

Secure

Easy-to-use locks keep blades in place.

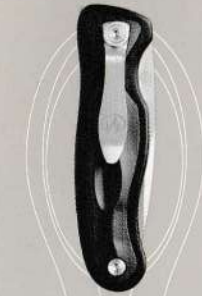

Convenient

More versatility, less space.

e300

A classic liner lock with a couple surprises: Leatherman's Blade Launcher™ knife deployment mechanism and a disappearing carabiner clip that doubles as a bottle opener. Rubber handle inserts provide a sure grip for working with the 420 stainless steel blade. Available with a plain edge (e300) or combo edge (e301).

e300

e300 | straight blade

e301 | combo blade

SPECS

e300: Blade opening: One-hand Blade Launcher, thumb stud | Blade material: 420 stainless steel | Closed length: 3.875" | Open length: 6.7" | Blade length: 2.8" | Weight: 3.0 oz., 86 grams | Blade grind: Hollow | Blade style: Straight edge | Blade finish: Bead-blasted | Handle material: Glass-reinforced nylon with rubber inserts | Removable pocket clip | Carabiner clip | Bottle opener

SPECS

e301: Blade opening: One-hand Blade Launcher, thumb stud | Blade material: 420 stainless steel | Closed length: 3.875" | Open length: 6.7" | Blade length: 2.8" | Weight: 3.0 oz., 86 grams | Blade grind: Hollow | Blade style: Straight & serrated edge | Blade finish: Bead-blasted | Handle material: Glass-reinforced nylon with rubber inserts | Removable pocket clip | Carabiner clip | Bottle opener

e302

Skeletonized glass-reinforced nylon handles contain a 420 stainless knife and Leatherman's unique rotating carabiner. But in typical Leatherman fashion, even more usefulness is provided, here in the form of a Phillips screwdriver and a 1/4" flat screwdriver. Like all e- and k-series knives, it also includes a removable pocket clip.

SPECS

e302: Blade opening: One-hand Blade Launcher, thumb stud | Blade material: 420 stainless steel | Closed length: 3.875" | Open length: 6.7" | Blade length: 2.8" | Weight: 3.9 oz., 111 grams | Blade grind: Hollow | Blade style: Straight edge | Blade finish: Bead-blasted | Handle material: Skeletonized glass-reinforced nylon | Removable pocket clip | Carabiner clip | Bottle opener | 1/4" screwdriver | Phillips screwdriver

e303: Blade opening: One-hand Blade Launcher, thumb stud | Blade material: 420 stainless steel | Closed length: 3.875" | Open length: 6.7" | Blade length: 2.8" | Weight: 3.9 oz., 111 grams | Blade grind: Hollow | Blade style: Straight & serrated edge | Blade finish: Bead-blasted | Handle material: Skeletonized glass-reinforced nylon | Removable pocket clip | Carabiner clip | Bottle opener | 1/4" screwdriver | Phillips screwdriver

e304x

This three-ounce gem features 154 CM blade steel, engineered to provide triple the edge retention of typical stainless steel knives. The handle is created from machined aluminum and glass-reinforced nylon to look great and keep weight to a minimum. Available with a plain edge (e304x) or combo edge (e305x).

SPECS	e304x: Blade opening: One-hand Blade Launcher, thumb stud Blade material: 154 CM Closed length: 3.875" Open length: 6.7" Blade length: 2.8" Weight: 3.0 oz., 84 grams Blade grind: CNC flat Blade style: Straight edge Blade finish: Polished and ground Handle material: Machined aluminum with glass-reinforced nylon inserts Removable pocket clip Carabiner clip Bottle opener
	e305x: Blade opening: One-hand Blade Launcher, thumb stud Blade material: 154 CM Closed length: 3.875" Open length: 6.7" Blade length: 2.8" Weight: 3.0 oz., 84 grams Blade grind: CNC flat Blade style: Straight & serrated edge Blade finish: Polished and ground Handle material: Machined aluminum with glass-reinforced nylon inserts Removable pocket clip Carabiner clip Bottle opener

e306x

The Blade Launcher is just the start of a long list of features and versatility on this folder. It offers more usefulness than thought possible in a pocketknife this size. A proprietary bit driver combines with a bit holder integrated into the handle to provide six screw bits. A 154 CM blade, locking carabiner/bottle opener and removable pocket clip complete this compact workhorse.

SPECS

e306x: Blade opening: One-hand Blade Launcher, thumb stud | Blade material: 154 CM | Closed length: 3.875" | Open length: 6.7" | Blade length: 2.8" | Weight: 4.2 oz., 118 grams | Blade grind: CNC flat | Blade style: Straight edge | Blade finish: Polished and ground | Handle material: Machined aluminum with glass-reinforced nylon inserts, stainless steel bolsters | Bit driver | Removable pocket clip | Carabiner clip | Bottle opener | 3 Double-ended bits | Nylon sheath

LEATHERMAN

c300

A classic locking liner with Leatherman's Blade Launcher™ knife deployment mechanism. Durable glass-reinforced nylon handles provide a sure grip for working with the 420 stainless steel blade. Available with a plain edge (model c300) or combo edge (model c301).

SPECS

c300: Blade opening: One-hand Blade Launcher, thumb stud | Blade material: 420 stainless steel | Closed length: 4.0" | Open length: 6.8" | Blade length: 2.8" | Weight: 2.88 oz., 81.6 grams | Blade grind: Hollow | Blade style: Straight edge | Blade finish: Bead-blasted | Handle materials: Glass-reinforced nylon Removable pocket clip

SPECS

c301: Blade opening: One-hand Blade Launcher, thumb stud | Blade material: 420 stainless steel | Closed length: 4.0" | Open length: 6.8" | Blade length: 2.8" | Weight: 2.88 oz., 81.6 grams | Blade grind: Hollow | Blade style: Straight & serrated edge | Blade finish: Bead-blasted | Handle materials: Glass-reinforced nylon | Removable pocket clip

c302

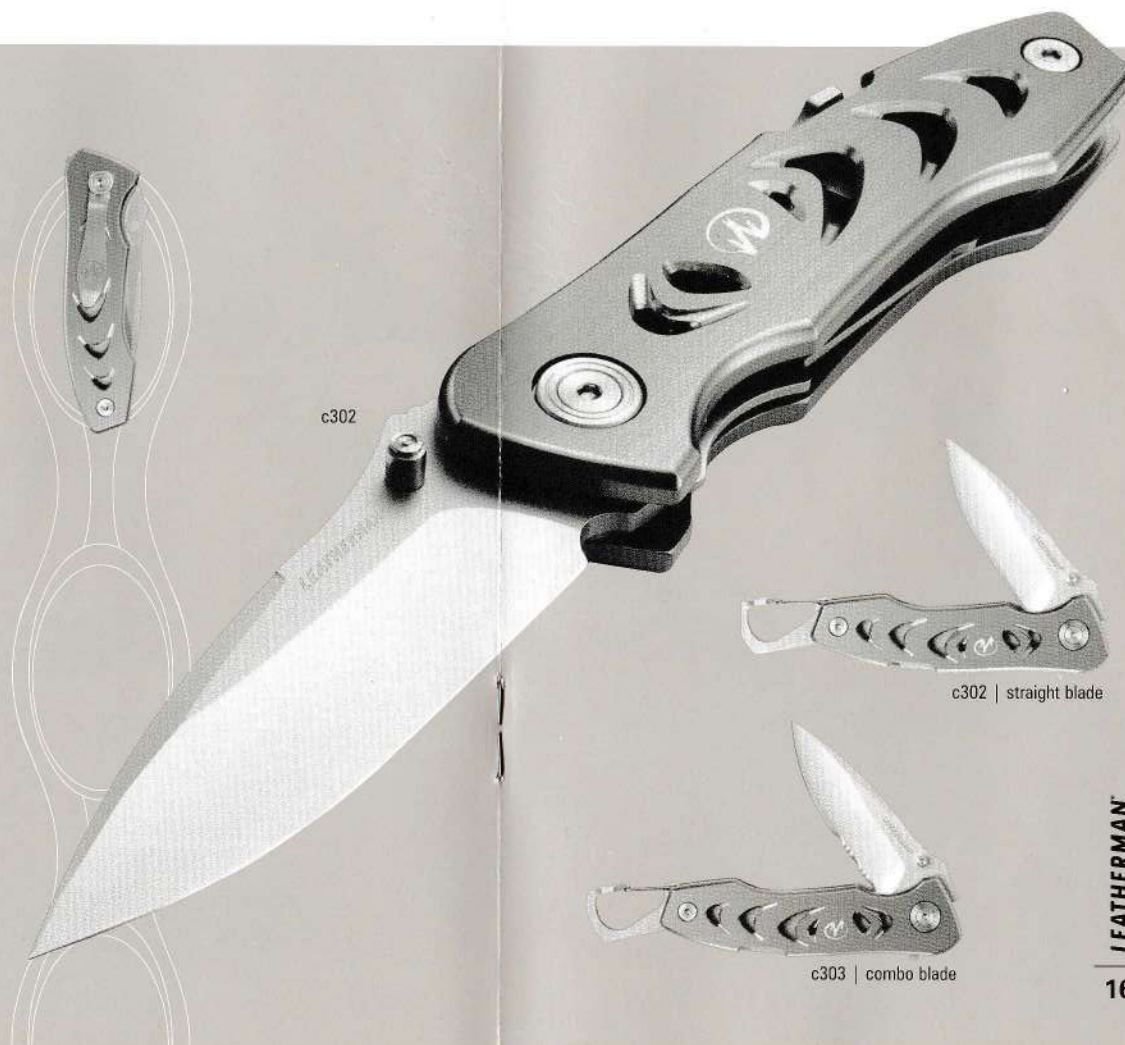

The sleek aluminum handle and 420 stainless steel blade are crafted in Leatherman's feature-rich tradition. With a unique rotating carabiner/bottle opener, removable pocket clip and patent-pending Blade Launcher™ technology, the c302 (straight edge) and c303 (combo) are the ultimate combination of form and function.

SPECS

c302: Blade opening: One-hand Blade Launcher, thumb stud | Blade material: 420 stainless steel | Closed length: 4.0" | Open length: 6.8" | Blade length: 2.8" | Weight: 3.2 oz., 90.7 grams | Blade grind: Hollow | Blade style: Straight edge | Blade finish: Bead-blasted | Handle materials: Aluminum | Removable pocket clip | Carabiner clip | Bottle opener

SPECS

c302 | straight blade

c303 | combo blade

c304

Get the job done right the first time with all the Leatherman quality and functionality you've come to expect. With two screwdrivers, carabiner/bottle opener combination and removable pocket clip, the sure grip of the nylon handle with rubber-inserts will give you a great hold on more than just a 420 stainless steel blade.

SPECS

c304: Blade opening: One-hand Blade Launcher, thumb stud | Blade material: 420 stainless steel | Closed length: 3.88" | Open length: 6.68" | Blade length: 2.8" | Weight: 3.92 oz., 111.1 grams | Blade grind: Hollow | Blade style: Straight edge | Blade finish: Bead-blasted | Handle materials: Glass-reinforced nylon with rubber inserts | Removable pocket clip | Carabiner clip | Bottle opener | 1/4" screwdriver | Phillips screwdriver

SPECS

c305: Blade opening: One-hand Blade Launcher, thumb stud | Blade material: 420 stainless steel | Closed length: 3.88" | Open length: 6.68" | Blade length: 2.8" | Weight: 3.92 oz., 111.1 grams | Blade grind: Hollow | Blade style: Straight & serrated edge | Blade finish: Bead-blasted | Handle materials: Glass-reinforced nylon with rubber inserts | Removable pocket clip | Carabiner clip | Bottle opener | 1/4" screwdriver | Phillips screwdriver

k500x

The k500x was created specifically for rigorous use by the avid hunter. Its traditional lockback design and comfortable, durable handle materials make working with the knife blade a breeze. And because the blade is made of premium 154 CM stainless steel, it will hold its cutting edge three times as effectively as typical stainless knives. Optional belt sheath available at www.leatherman.com/shop.

SPECS

k500x: Blade opening: Thumb stud | Blade material: 154 CM | Closed length: 4.5" | Open length: 7.6" | Blade length: 3.1" | Weight: 4.6 oz., 132 grams | Blade grind: CNC Flat | Blade style: Straight edge | Blade finish: Polished and ground | Handle material: Skeletonized glass-reinforced nylon | Removable pocket clip | Carabiner clip | Bottle opener

k500x | straight blade

k502x

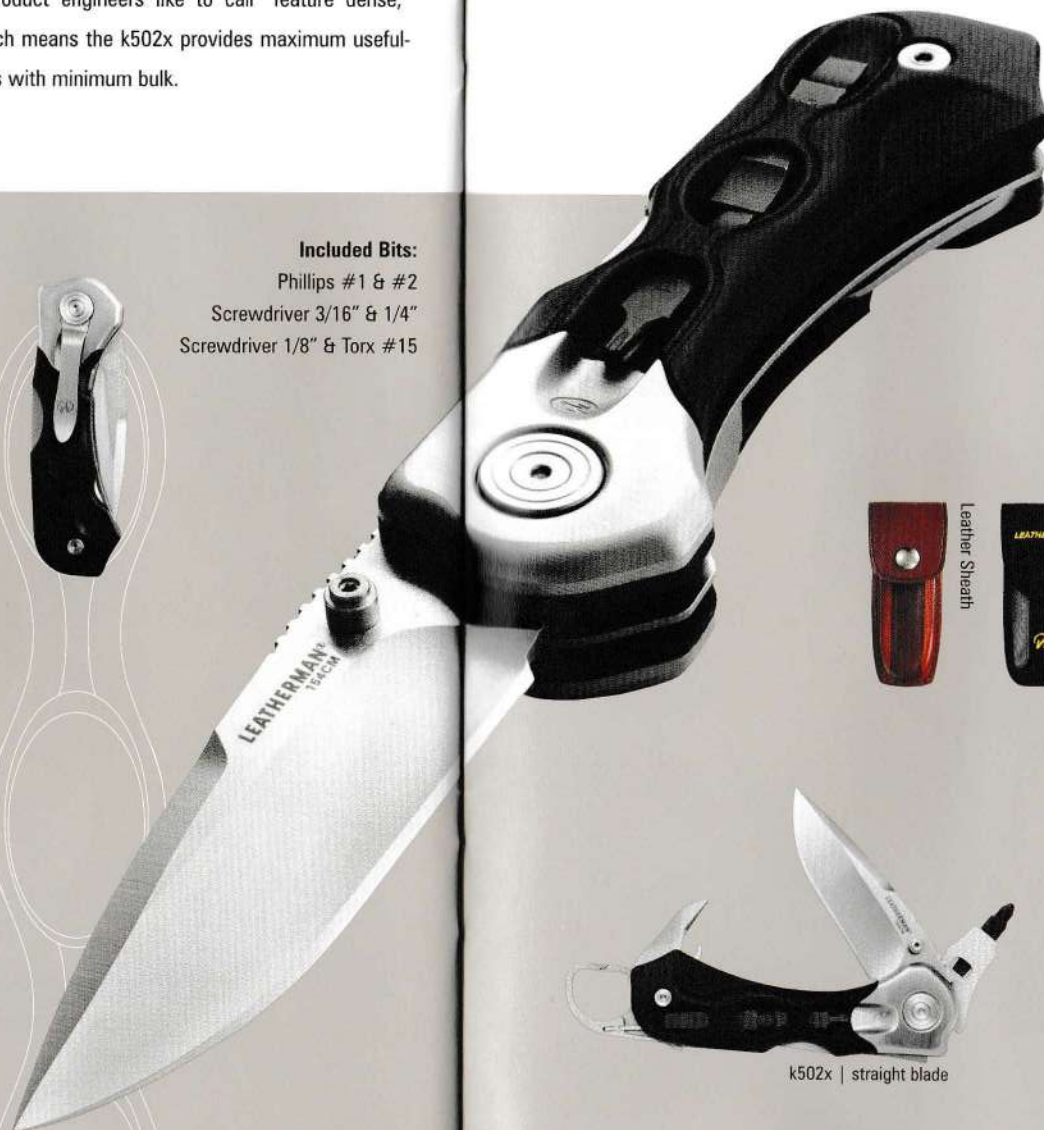

21

Take everything you expect from a traditional lock-back folder. Then pile on the features—can opener, bottle opener, bit driver (with six screw bit tips), even a carabiner clip—but do it so the extra versatility isn't noticed until it's needed. What you get is a product engineers like to call "feature dense," which means the k502x provides maximum usefulness with minimum bulk.

Included Bits:

Phillips #1 & #2
Screwdriver 3/16" & 1/4"
Screwdriver 1/8" & Torx #15
