The Leatherman Difference

Durable

Ready to work and built to last.

Innovative

Cutting-edge designs with new features.

Versatile

One tool handles hundreds of jobs.

Convenient

So compact they'll go anywhere.

Sharp

A clean cut every time.

Secure

Easy-to-use locks keep blades in place.

Tim Leatherman invented the first multi-tool, and his name—or as some call it, his stamp of approval—is on every one. Maybe this is why no other multi-tool inspires confidence like a genuine Leatherman. Tim's rigorous standards for design and manufacturing make Leatherman multi-tools the most

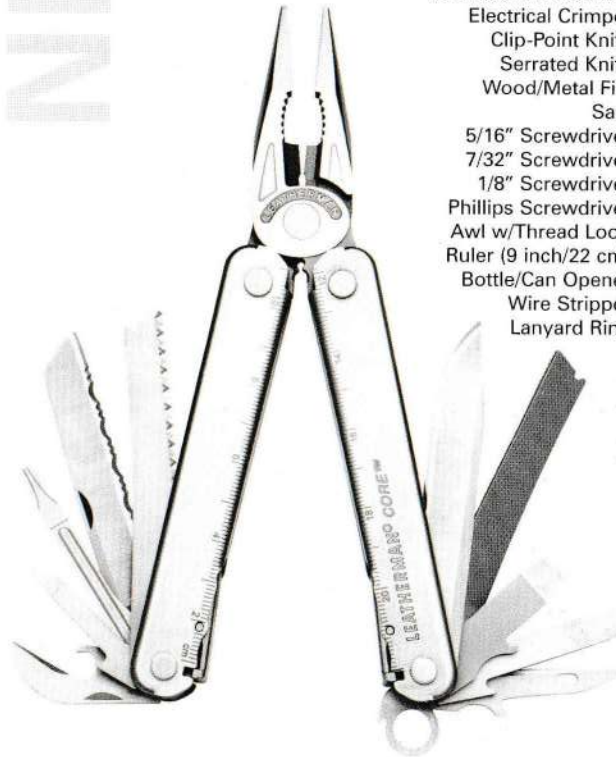

dependable, functional and hard-working tools in the world. When you own a Leatherman, you'll understand the difference.

Leatherman®. Now you're ready.®
